

## Family Planning Dashboard - LGA Report

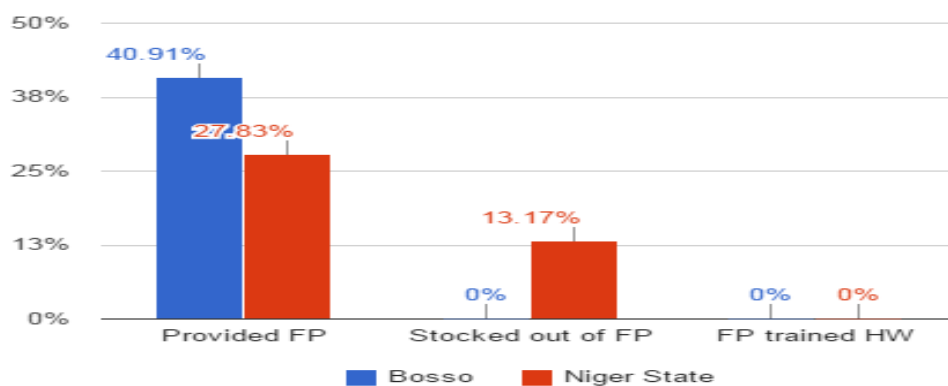

LGA: Bosso

State: Niger State

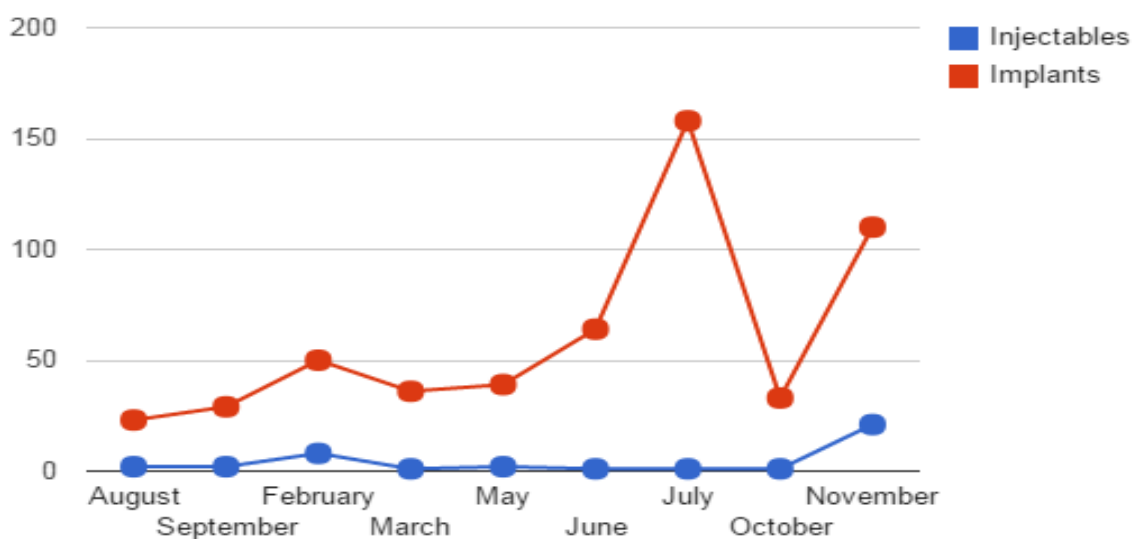

Month: May, 2015

### Facility summary, May 2015

### Monthly consumption\* in Bosso, June 2014 – May 2015

\*Implants and injectables are examples of popular long-acting and short-acting methods and have been selected here to show general consumption trends of family planning.

### Facilities with FP trained health workers that are not providing FP

This indicator identifies the facilities that should be providing FP (because they have a trained HW) but are not. There may be several reasons why they are not providing FP. For example, they may be stocked out. Call the facilities listed here to find out whether they are stocked out, require additional mentoring, or are facing another barrier to service provision. When conducting supportive supervision, target these facilities.

Facilities					
Dubo Primary Health Centre	Gbusugi Primary Health Centre	Sabon Daga Model Primary Health Care Center	Maikunkele Maternal and Child Health Centre	Gidan Mongoro Centre	Bosso Kowa Clinic
Bosso Maternal and Child Health Clinic	Nakpankuchi Primary Health Centre	Tayi Mongo Park Health Clinic	Tsohon Kanpani Primary Health Centre	Maitumbi Maternity Child Health	Emi-Tashe Health Post
