

## Family Planning Dashboard - LGA Report

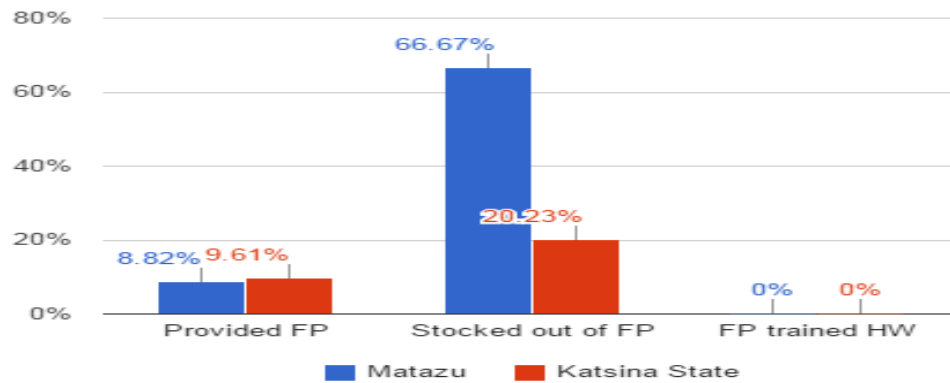

LGA: Matazu

State: Katsina State

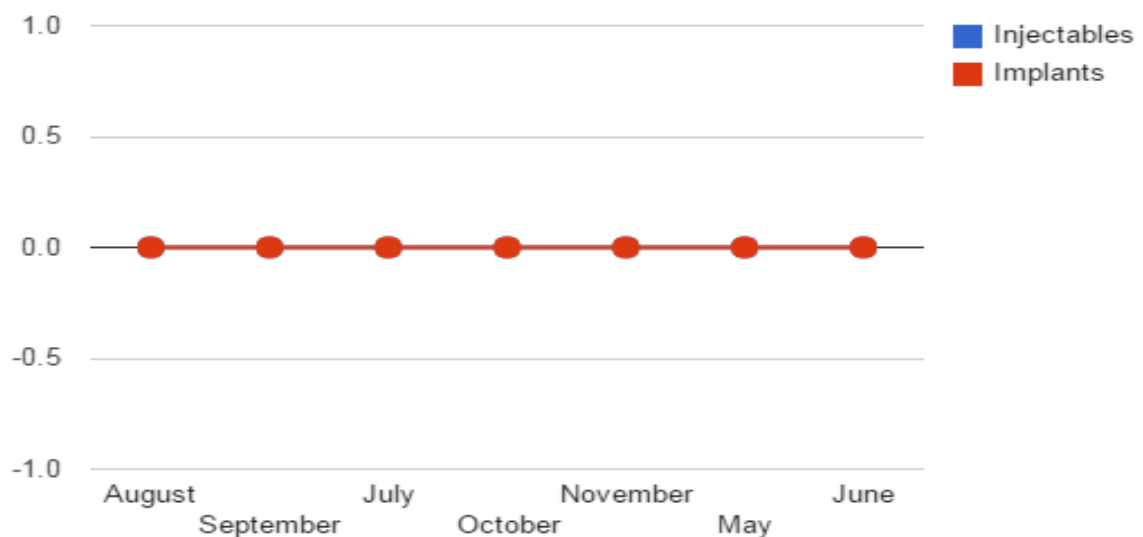

Month: May, 2015

### Facility summary, May 2015

### Monthly consumption\* in Matazu, June 2014 – May 2015

\*Implants and injectables are examples of popular long-acting and short-acting methods and have been selected here to show general consumption trends of family planning.

### Facilities with FP trained health workers that are not providing FP

This indicator identifies the facilities that should be providing FP (because they have a trained HW) but are not. There may be several reasons why they are not providing FP. For example, they may be stocked out. Call the facilities listed here to find out whether they are stocked out, require additional mentoring, or are facing another barrier to service provision. When conducting supportive supervision, target these facilities.

| Facilities                   |                               |                              |                              |                              |                                    |
|------------------------------|-------------------------------|------------------------------|------------------------------|------------------------------|------------------------------------|
| Sayaya Primary Health Centre | Dissi Health Clinic           | Gwarjo Primary Health Centre | Kogari Health Clinic         | Rinjin Idi Health Clinic     | Bakane Health Clinic               |
| Matazu Mobile Clinic         | Ginchawa Health Clinic        | Jinfin Nawala Health Clinic  | Bauraji Health Clinic        | Kufen Ruga Health Clinic     | Saura Health Clinic                |
| Daurawa Dispensary           | Gidan Alh Lawal Health Clinic | Raddawa Health Clinic        | PaPu Health Clinic           | Dugul Health Clinic          | Ungwar Sarki Health Clinic         |
| Karaduwa Dispensary          | Kogon Maidawa Health Center   | Kaga Dama Health Clinic      | Tabobi Health Clinic         | Yar' Unguwa Health Clinic    | Matazu Comprehensive Health Centre |
| Kudu Health Clinic           | Kachari Health Clinic         | Karawo Health Clinic         | Mazoji Primary Health Centre | Nasarawa Dispensary (Matazu) | Yalwa Health Clinic                |

Percent of facilities in the state with FP trained HWs that are not providing FP: 100%

### Facilities with LARC trained health workers that are not providing LARC

This indicator identifies the facilities that should be providing LARC (because they have a trained HW) but are not. There may be several reasons why they are not providing LARC. For example, they may be stocked out. Call the facilities listed here to find out whether they are stocked out, require additional mentoring, or are facing another barrier to service provision. When conducting supportive supervision, target these facilities.

| Facilities                   |                        |                              |                       |                          |                      |
|------------------------------|------------------------|------------------------------|-----------------------|--------------------------|----------------------|
| Sayaya Primary Health Centre | Dissi Health Clinic    | Gwarjo Primary Health Centre | Kogari Health Clinic  | Rinjin Idi Health Clinic | Bakane Health Clinic |
| Matazu Mobile Clinic         | Ginchawa Health Clinic | Jinfin Nawala Health Clinic  | Bauraji Health Clinic | Kufen Ruga Health Clinic | Saura Health Clinic  |

| Facilities          |                               |                         |                              |                              |                                    |
|---------------------|-------------------------------|-------------------------|------------------------------|------------------------------|------------------------------------|
| Daurawa Dispensary  | Gidan Alh Lawal Health Clinic | Raddawa Health Clinic   | PaPu Health Clinic           | Dugul Health Clinic          | Ungwar Sarki Health Clinic         |
| Karaduwa Dispensary | Kogon Maidawa Health Center   | Kaga Dama Health Clinic | Tabobi Health Clinic         | Yar' Unguwa Health Clinic    | Matazu Comprehensive Health Centre |
| Kudu Health Clinic  | Kachari Health Clinic         | Karawo Health Clinic    | Mazoji Primary Health Centre | Nasarawa Dispensary (Matazu) | Yalwa Health Clinic                |

Percent of facilities in the state with LARC trained HWs that are not providing LARC: 100%

#### FP facilities stocked out for 7 days

This indicator identifies facilities that have provided FP in the last six months but reported a stock out of any FP commodity for seven consecutive days during the current month. Call these facilities to find out what commodity is stocked out and arrange an emergency shipment of stock from the LGA store.

| Facilities                         |
|------------------------------------|
| Karaduwa Dispensary                |
| Matazu Comprehensive Health Centre |

Percent of FP facilities in the state stocked out for 7 days: 20.23%

### **LARC facilities stocked out of implants**

This indicator identifies the facilities that have provided at least one implant over the last six months but are stocked out of implants during the current month. Call these facilities to arrange an emergency shipment of stock from the LGA store. Ensure the facilities are connected to the FP commodity distribution system and are using CLMS forms correctly.

#### **Facilities**

Percent of LARC facilities in the state stocked out of implants: 6.67%
