

## Family Planning Dashboard - LGA Report

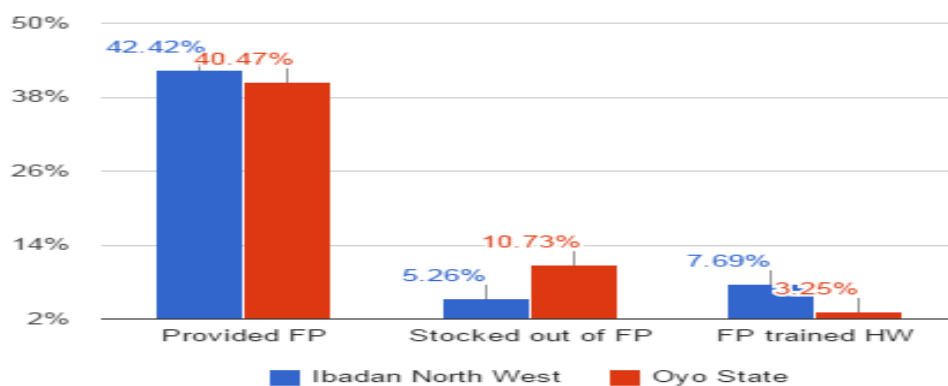

LGA: Ibadan North West

State: Oyo State

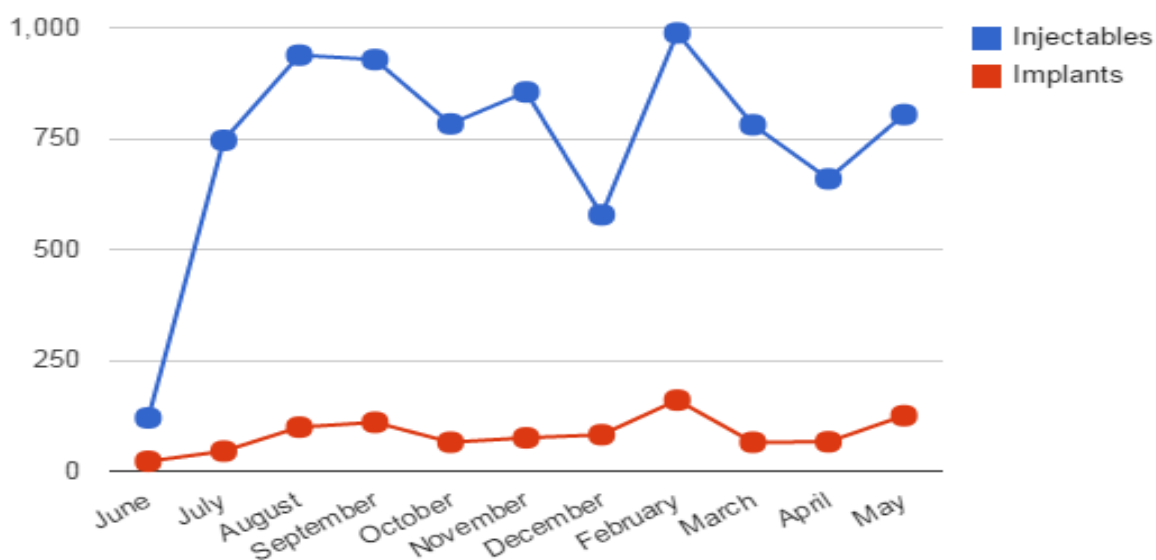

Month: May, 2015

### Facility summary, May 2015

### Monthly consumption\* in Ibadan North West, June 2014 – May 2015

\*Implants and injectables are examples of popular long-acting and short-acting methods and have been selected here to show general consumption trends of family planning.

### Facilities with FP trained health workers that are not providing FP

This indicator identifies the facilities that should be providing FP (because they have a trained HW) but are not. There may be several reasons why they are not providing FP. For example, they may be stocked out. Call the facilities listed here to find out whether they are stocked out, require additional mentoring, or are facing another barrier to service provision. When conducting supportive supervision, target these facilities.

Facilities					
Xtus Hospital	Naomi Hospital	St Patric Hospital	National Programme On Immunization Onireke	Skyline Specialist Hospital	Alafia Hospital
Christus Hospital	Grace Hospital Olopomewa	Police Health Clinic	University College Hospital Dental Clinic	Jericho Nursing Home	Lilly Hospital
