

## Family Planning Dashboard - LGA Report

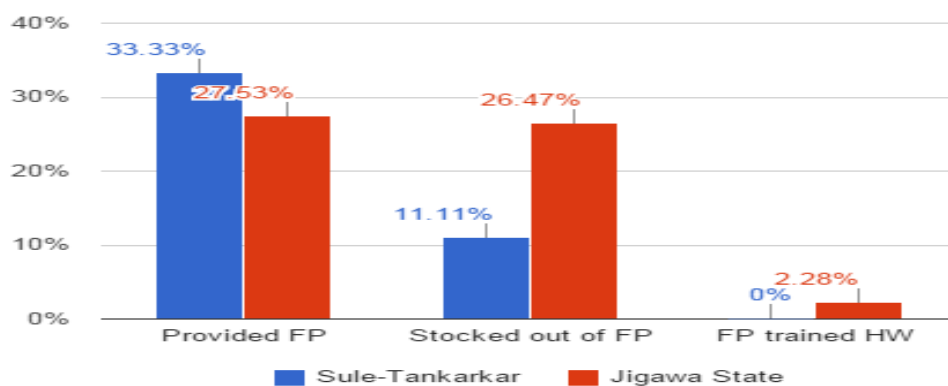

LGA: Sule-Tankarkar

State: Jigawa State

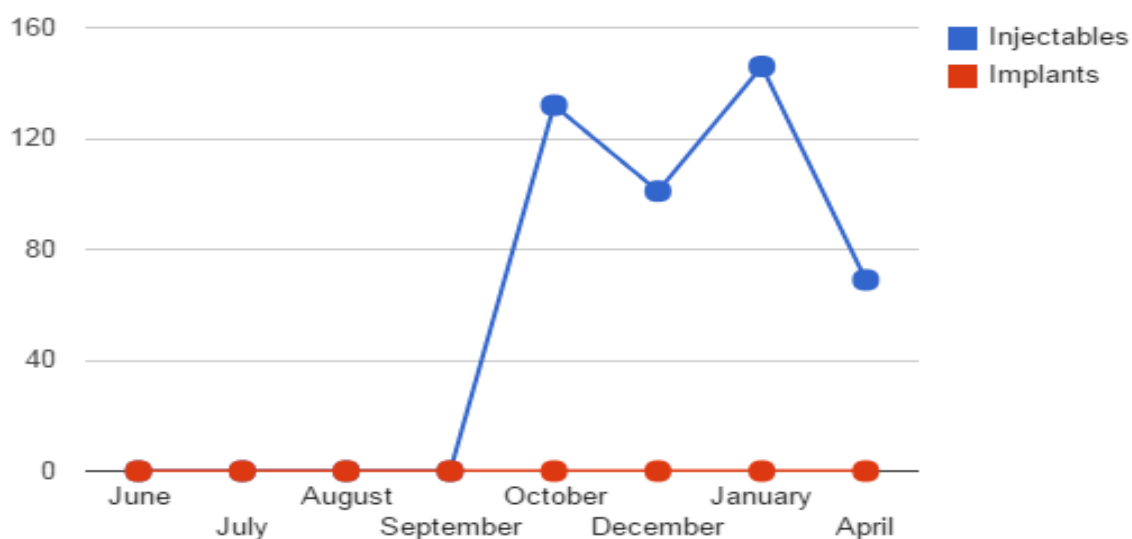

Month: May, 2015

### Facility summary, May 2015

### Monthly consumption\* in Sule-Tankarkar, June 2014 – May 2015

\*Implants and injectables are examples of popular long-acting and short-acting methods and have been selected here to show general consumption trends of family planning.

### Facilities with FP trained health workers that are not providing FP

This indicator identifies the facilities that should be providing FP (because they have a trained HW) but are not. There may be several reasons why they are not providing FP. For example, they may be stocked out. Call the facilities listed here to find out whether they are stocked out, require additional mentoring, or are facing another barrier to service provision. When conducting supportive supervision, target these facilities.

Facilities					
Malam Kadir Health Post	Takatsaba Health Post	Albasu Dispensary	Kuka Basic Health Clinic	Banaga Basic Health Clinic	Jeke Health Post
Bandakado Health Post	Sule Primary Health Centre	Sule Basic Health Clinic	Nagwamitse Health Post	Maitsamiya Health Post	Kakudi Basic Health Clinic
