## Percent of facilities with an FP-trained health worker providing FP

Percent of facilities with a LARC-trained health worker providing LARC

Percent of FP facilities stocked out of FP commodities for 7 days

Abia	10.53%
Aba North	0%
Ikwuano	0%
Isiala-Ngwa North	0%
Isuikwuato	0%
Obi Nwga	0%
Bende	60%

Percent of LARC facilities stocked out of Implants

Abia	18.75%
Aba North	0%
Arochukwu	0%
Bende	0%
Ikwuano	0%
Isiala-Ngwa North	0%
Umuahia North	100%

ACTION ITEMS

- Direct trainings to LGAs with lowest percent of facilities with trained health workers.
- Follow up with and direct supervision or on-the-job training to facilities with trained health workers that are not providing services.
- Contact LGAs that are experiencing stock outs and send products to LGA stores when possible, or prepare products for pick up by LGA or facility staff.
